

## **A Colourful Night!**

There was no sign of a cricket bat or ball on Halloween as Clayton West filled the night sky with an array of colours at their first ever fireworks display.

The night turned out to be a major success for all concerned as around 220 people from the local area turned up to watch the event. Spectators of all ages wrapped up warm on a cold Autumn night to view the firework spectacle which cost over £1,000. The value of the event was made more significant by the enjoyment shared by all the children in their fancy dress costumes - this made the night more worthwhile for everyone involved at the Club.

The cheap alcohol on offer at the bar kept the older, consenting adults warm - so much so, there was nearly a shortage at the end of the night! Everyone who attended the event left with a smile on their face as the Club enjoyed a successful night in terms of revenue and, more importantly, promoting the face of Clayton West to the local community.

Clayton West Cricket Club would like to send a big thank you to the local community for a good turnout and to the helpers who made it all possible.
