

wait for their event at the Huddersfield and District A.S.A. Gala last Saturday.

Association Title For Rastrick N.R.

RASTRICK NEW ROAD won the championship of the Huddersfield Cricket Association by beating Oakes C.Y.C. in a low-scoring game on the Brook Motors ground at Birkly on Saturday. The teams had finished at the top of their respective sections and played off for the title.

Rastrick's batting in making 83 was undistinguished apart from two left-handers, Cawthra, who made up in courage what he lacked in elegance, and Donald Bottomley, who was not afraid to thump the loose ball.

On a soft wicket the bowling was often erratic, but Brown plodded on for a satisfactory return of 3-21, helped by some sound fielding and catching of a very high standard.

Of the early Oakes batsmen only E. Medley looked at all comfortable and with seven down for 24 the match looked all but over, but Leslie Hirst and John Spaw, numbers eight and nine, added thirty, and had Spaw had another partner he might well have won the game for his side.

Charlie Horner bowled intelligently to take 7-17, though some of his victims gave themselves up. The cup and prizes were presented by the Association president, Mr. A. Bottomley.
