

● Thongsbridge's near neighbours Thurstonland have teamed up with local schools to help introduce young children to the game of cricket.

During the summer term, coaches from the Arrow Central League side will train with the children at schools in Honley, Farnley Tyas, Brockholes and Thurstonland and help them at Kwik Cricket.

Money for this project was granted to Thurstonland by the Local Area Network Fund for Children. The club will later play host to the four schools as they battle it out at a special Under 9s Kwik Cricket Festival.
