

CARDS AND DISCOUNTS

Betty Whittaker on membership figures

Once upon a time the club would have had near on 1,000 members – and there would be two rows of seats on the boundary edge!

Today I think we have around 300 members in all. That includes juniors – and the number of junior members is creeping up.

In 2008 full membership is £23.50 – with a £2 discount for early payment. Members get free entry to all home matches, except big cup games. Junior membership is £13.50 or £11.50.

I have a list of all members on my PC but I prefer a carding system. It's much easier and I can keep on top of things better. For example, if someone phones me up I can pick out their card immediately without having to turn my PC on.
