

# BIG MATCHES AND BIG MINI-BUSES!

## Betty Whittaker on her club jobs

I have lots of hats! I'll help on the gate for big matches, like cup finals, but I also work in the tea room and do anything else the club might need doing.

I also help with the teas – making sandwiches and baking during the week and then helping in the tea room on match days.

I also help on the gate on big-match days, for example today – Todmorden v Accrington in the final of the 2008 Worsley Cup. We've just been told that Accrington will be bringing 56 adults and 11 juniors – they've all paid upfront and will probably arrive in a big mini-bus!

When I'm watching games I like to sit in a corner near the main entrance.
