

MAKING MONEY

Susan Whitehead on fundraising

Valerie Smith, Doreen Storey and myself are on duty at all matches but there are a couple of other ladies who also contribute.

We enjoy doing the teas – the players are very appreciative and they're a lovely bunch of lads.

We charge £1.40 for pie, chips and peas and £1.30 for sandwiches. We're raising money for the club so we don't want to over-price our food.

I think we make about £6,000 profit for the club each year.
