

HOSTING FINALS

Marie Beaumont on the pavilion

I think there are minute books in the pavilion loft that relate to the early days of the club. And also a photo in the Cock & Bottle – which still exists as a pub. But we don't have a connection with the pub anymore.

Originally, the pavilion was a little hut (above). So we've come a long way. We've currently got teams for Under-11s, Under-13s, Under-15s and Under-17s and our ground has also hosted Parish Cup finals.

The cricket club doesn't have that much contact with the village. We've tried and tried but to no real avail. We'd very much like people in the village to come and join us, use our facilities and become social members.
