

FOUR GENERATIONS!

Malcolm Clegg on club people

In my early days, the club played in the Dewsbury & District League – we always had a good side.

There were key people at the club in this period: Albert, Herbert and Stanley Smith, Colin Fretwell (above), Keith Jowett and Willie O'Donnell – a millionaire! Barry Wooller was also a key man at the club. He instigated a lot.

The Fretwells are a big Mirfield Parish family: Colin, Barry, Paul, Angus, Harry and Thomas. They go back four generations!
