

The club played host to a semi-final match and once again the field and facilities were a credit, due to the time and efforts of a number of members.

We ran a bar for the first time, at three matches this season, which made a modest amount, but there was a lack of hot, thirsty weather around.

New fencing was erected around the boundary and it is hoped to further extend it this year.

The catering once again has been excellent throughout the year, and the Ladies Committee has coped admirably with the extra requirements of last season.

A mention must be made about the high standard of the wicket and field throughout the year. Once again this has been due to the committed efforts of our groundsman Michael Kaye. Please remember it is a task that takes much time and effort and therefore help is always needed.

It is up to us all to make this coming season a successful one both on and off the field. Good luck to you all and let's enjoy our cricket.

K. Stones
