

# Practice makes perfect

The opening of Stones' new practice nets was conducted by ex-Ilkley and Yorkshire player Gary Fellows and Tony Bowry, the YCA Regional Development Officer.

The event was attended by junior members and parents, senior members, local businesses, and representatives of Ripponden Parish Council, who donated £1000 towards the funding of the project.

Stones have teams in the Terry Wynne Conference of the Halifax League and the Sunday Section plus under 15 and under 17 sides.
