

# BACK FROM HOLIDAY

## Alan Hampshire on local rivalries

Our local rivals have always been Warley – not particularly Sowerby Bridge or Sowerby St. Peter's. There was also a niggle with Northowram. This seemed to originate in us having to bowl in the rain one time. I remember Bob Tyas using a lot of sawdust!

These local-derby games: we always knew the opposition players, knew them inside out. Holidays were always a big issue. Everyone would go away for Wakes Week but come back the Friday after – to be ready for the Saturday back!
