

## Upper Hopton CC

1907

Upper Hopton Cricket Club was formed in 1904 and had a close association with the local working men's club. The club originally played their cricket at the back of the Travellers Rest pub before moving to their current home on Jackroyd Lane in 1962. The map above is from 1907 and therefore the ground is obviously not marked. As an examination of the map reveals, Jackroyd Lane was a fairly rural location and even today the Sutcliffe Memorial Ground offers stunning views of Mirfield and the Calder Valley.

Upper Hopton CC as represented on a modern A-Z map
