

83 NOT OUT!

Dougie Thorpe on his career

I've been playing for Cartworth Moor since I was 62 – and I'm 83 next! So that's 21 years. And I've turned out pretty consistently during this period.

Cartworth Moor CC, 1987

I played for Holmbridge before the Second World War but the club folded during the war. I also had 35 years at Holmfirth and four years in the Evening League.

I joined Cartworth at the age of 62 because it was local and they wanted me.
