

NEW PAVILION

Sheila Waring on the Wakefield Road ground

I'm proud of the club, the new pavilion and the ground. I'm at peace here.

Local schools have held their sports days at the cricket ground. Carnivals and festivals have been staged here too.

Our new pavilion is great. Except that it's upside down! And I don't like walking in front of the dressing room windows to buy a coffee! But it's a lovely building, very nice.

The scorers also have a little problem. They're based downstairs in the pavilion – and so they get disturbed quite regularly. People walking across in front of them. Maybe the scoreboard should have been located on the other side of the ground?
