

SUPPORTING THE CLUB

Sheila Waring on Denby Dale the village

I've lived in Denby Dale all my life and enjoy coming down here to support the club.

I live behind the Dalesman in the centre of the village – Wood Nook. I come to watch with Buster, my poodle.

The village is famous for many things: pies, the viaduct and the cricket ground, of course! There's also the pie hall – the village hall - which belongs to the village.
