

COURIER CUP FINAL 2002

Welcome to the Trinity Insurance Halifax Cricket League Sunday Section's Courier Cup Final. This season's final is between Blackley and Northowram.

The format for the competition is the clubs are divided into four groups and play each other once on a "round robin" basis, with the four group winners moving forward to the semi-finals. Blackley were unbeaten in their group and easily defeated SBCI in a one sided semi-final. In the other semi-final, Northowram edged out a useful Barkisland team in an exciting game that ebbed and flowed until the penultimate over.

A special thank you must go to the Queensbury club for making their ground and facilities available for this final. This is the first senior final they have hosted and I am sure it will not be the last.

Spectators are invited to make full use of the catering facilities being offered today and are reminded not to walk in front of the sight screen when play is in progress, or to disturb the scorers and scoreboard operators.
