

NEW HOUSING

Ann Greenwood on the village of Northowram

There are lots of new people and new housing in the village. Five years ago I'd know almost everyone who I passed by in the village, but not now.

Most of our players are very local – whether from Northowram or Shelf.

We have a good relationship with Northowram Hedge Top next door. There's no bother – we're both cricket clubs and we understand what each other is doing. It's a totally supportive relationship.
