

DOUBLING UP

Ann Greenwood on the juniors

Friday is junior training night. The parents come too and help out where they can. People like Sue Norcliffe and Mandy and Gary Rodger play a key role. The bar is open, we have a BBQ, and the kids can buy sweets! We raise some money too.

Some of our juniors join both clubs. We encourage that – we just want them to play. But obviously when it comes to open-age cricket players have got to sign up to just the one club!

The cricketers do the coaching of the kids but I've been involved in advertising and publicising what we're doing with the juniors. And they come from all over: Northowram, Shelf, Shibden and Salterlee.
