

The total was then at 68 after only 40 minutes play and the outcome of the game seemed wide open. But then came Walsden's second star turn of this memorable match in the shape

Walsden		O	M	R	W
J. Coupe	13	1	35	2
S. Beam	7	0	49	3
P. Green	10	5	22	5

Jack Coupe, a Walsden Cricket Club stalwart, who last year received a benefit for long service, this season broke his own club record with 71 wickets. The previous best was 69. His figures this season made a considerable contribution in this championship year.

J. HAROLD SUTCLIFFE TROPHY HANDICAP

The preliminary rounds of this competition were played last Sunday and the following four contestants won through to the finals to be played on the green at Old Town on Sunday.

- A. Milnes (over 3) of M.W.M.C.
- D. Denton (scratch) of Todmorden Park
- D. Cotton (over 2) of Mytholmroyd Club
- M. Harrop (over 7) of Hebdon Royd Park.

The draw will be made on the green on Sunday. As there is a charity match for the benefit of the Cancer Research Fund during the afternoon, the handicap games will begin after tea, probably about 8.0 p.m.

A good crowd is expected and, given suitable weather conditions, play should be very interesting both in the afternoon and evening. A collection will be taken in the evening for the Association funds.
