

TODMORDBA CRICKET CLUB.

Todmorden, Sept 9th 1889

Sir,

Will you kindly give your opinion in reference to the following facts.

On Saturday last we played Brighouse. Our eleven scored 35 & Brighouse 60 in the first innings. Our eleven batted a second time & declared with four wickets down.

Brighouse refused to bat again saying we could not declare on a second innings.

Our captain claimed the match on the call of time, but afterwards two batsmen came out without the permission of their captain. When our ~~captain~~ ^{captain} offered to waive the claim if they would play last time which they refused to do. Matches arranged to be drawn at six o'clock. Who won the match

Yours truly

Sir

Being an old friend
of a great many of the
old Loddon Cricketers
and seen you are
advertising for a playing
Groundsman, I can
recommend one to that
will just suit you and
you all know him his
name is William Shotton
who has been at Brixhams
in a Public House as played
with them 12 years, and
he has had the misfortune

to loose his wife, and has
left the Public House, I know
that he is in want of a
job just like yours, the
reason I write to you now
is because he is staying at
Blackpool but he is
expected back every day,
so I ~~was~~ thought I would
drop you a note, I am
writing to Shotton to tell him
to give you a call as he
comes down.

I remain
Yours faithfully
Luke Greenwood
