Dear Sir

Hereing you are in
want of a Pro for the coming
season I should be very thankful
to arrange with you at the terms
stated £2 Per week. I was at
Lascelles Hall our own Club
last season my average for
Batting was 17 and 14 over
for 16 innings and for bowling
7 runs and 14 over Per wicket
I have been to E. Lockwood

35
to ask him if would give
me a character to try for it
and he said he would but he
~~could not write himself and~~
I had to write for him.

This is the best Promising
Player we have at Lascelles Hall
now both with bat and Ball and
I think he will suite you very
well so no more at present.

Yours yours my name

Mr. E. Lockwood
