

GREAT SKIPPERS

Phil McKirgan on success

In terms of on-field success, the last 20-30 years have been very good. We've had some very good captains, including David Jay and Dermot McGrath (below). They helped to build a good team spirit.

Between 1998 and 2000 we won three Priestley Cup finals in a row – a unique achievement. This was the club's golden age!
