## Ronnie Ellis on club people

We've always had good committee people here. Donald Ledgard was a successful businessman – a company director - and was involved for many years. He was from Norwood Green and married a local girl. And he played a bit for the East Bierley 2<sup>nd</sup> XI. He goes back a long way.

Sue Amos has been a very good secretary; she's now a trustee and honorary vice-president. And Phil McKirgan – he spends a lot of time on secretarial work.

I'm now one of the club vice-presidents.
