

# AUCTION IN THE PUB

## Thelma Pickford (right) on the club

My youngest son started playing here at the age of 10 so I've been involved since then. I've done teas for the club for most of that time.

The club has a good relationship with the George pub in the village. That's our HQ and we have a £20 raffle there every week. They put on food every Saturday night in summer and also stage our Harvest Auction. It's like a community centre for local people!

The club is a focal-point in the village, at least on Saturdays and Sundays. We hold our committee meetings in the clubhouse.
