

SANDWICHES AND CAKES

Thelma Pickford on Denby teas

We have sit-down teas at Denby. We've had players doing teas and wives and girlfriends and now we've got a rota. We do sandwiches and cakes.

Teas are an important part of the game – we've got to offer hospitality to the away team, umpires and scorers. We buy in for the teas at Bookers wholesalers in Barnsley.

We've got good people when it comes to scorers and doing the teas. Carol Sanders does them for the 2nd XI – that's a huge lot off my shoulders! She helps with the buying-in and everything.
