

PUBLIC RELATIONS STUDENTS JOIN PROJECT

Final year Public Relations students Megan Wainwright (left) and Hayley Street (right) will be working on the Calderdale & Kirklees Cricket Heritage Project in 2008-9.

The pair, who are studying on the BA (Hons) Public Relations degree at the University of Huddersfield, will be helping to publicise the work of the project – and new developments will include a blog and Facebook site.

They will also be liaising with the media and local cricket clubs/leagues, as well as attending project events in their PR capacity.

You'll be seeing them around!
