

GAELIC CONNECTION

The Cricket Heritage Project now has a link with a Boston University/Gaelic Athletic Association (GAA)-sponsored project which is focusing on the heritage of Gaelic Football and Hurling in Ireland. The University of Huddersfield recently welcomed researchers from the project who were on a fact-finding mission to Britain.

The screenshot shows the Boston University website homepage. At the top, there are navigation links for Students, Faculty, Staff, Alumni, Parents, and Links. Below this is the Boston University logo and a search bar with a 'SEARCH' button. The main content area features a large aerial photograph of the university campus. To the left of the photo is a 'Featured links' section with three items: 'Parents' Weekend 2009', 'Reunion & Alumni Weekend 2008', and 'Research at BU 2008'. To the right of the photo is a vertical navigation menu with links for 'LEARNING', 'RESEARCH', 'BOSTON', 'GLOBAL', and 'COMMUNITY'. Below the main content area is a grid of six columns of links: 'ADMISSIONS' (Undergraduate, Graduate, International, Financial Aid), 'ACADEMICS' (Schools & Colleges, Degree Programs, Departments, Libraries), 'CAMPUS LIFE' (Calendars, Arts & Culture, Athletics, FitRec Center), 'OFFICES' (Trustees, Administration, Technology, Human Resources), 'ALUMNI' (Alumni Web, Career Network, Alumni Events, Alumni Clubs), and 'NEWS & INFO' (About BU, Media Relations, go.gubur).
