

OUTLANE'S SUCCESS

Almondbury Wes. Beaten in Vital Game

Outlane became champions of the Association on Saturday when they beat Almondbury Wesleyan at Outlane by the big margin of 101 runs. The position before the match was that the winning side also won the championship. In the case of a draw there would have been a tie between the two clubs and Blackley.

The Outlane batsmen showed championship form, and made a total of 151. The chief contributors were R. Pearson (40), R. Hargreaves (22), R. Blackburn (22), C. Heap (19), and E. Lumb (18). Almondbury failed badly, and made only 50. H. Crawshaw, who scored 19, was the only player to reach double figures. Outlane's principal bowlers were J. W. Dyson, who captured six for 16, and E. Lumb, who had three for 11.
