Armutay Bridge v Dalton

Dalton were the chosen of many
batted first and made 133 runs

Armutay Bridge had 7 wickets down
and wanted 41 runs to win. At this

part of the game ~~it~~ it appeared likely
that Dalton would win. I heard one

of the Armutay Bridge men remark
"Well if we are to lose we would

rather do so with Dalton than with
many clubs we know. Why don't we

asked. Because we could meet them
after without being treated as

2nd class players as we are on the
street.

Winners of Hudds & District Cricket League and the Lumb Challenge Cup 1893.
