

Cricket club facing dilemma!

THE Gomersal Cricket Club Gala Committee are in a dilemma. They have a centenary to celebrate but not quite sure when!

The team was formed in 1891 and was known as Gomersal St Mary's Cricket Club, playing at Lower Lane, Gomersal for a number of years.

The team now play at Oxford Road and enjoyed a highly successful season last year.

The committee, who are planning to produce a souvenir booklet to mark the occasion are appealing to anybody with any information or memorabilia to contact the club on (0274) 874100
