THE ELLAND CRICKET CLUB.—This club has arranged a capital programme for the coming cricket season. As will be seen from the list it has been decided to play most of the best clubs in this part of Yorkshire, and also to have a two days' encounter with the Parsees. The latter are an Indian cricket eleven which intend visiting this country this year, and in order to bring them up to a high state of perfection in batting, Henderson, the Surrey bowler, went out to India a few weeks ago purposely to give them some practice, before they start on their extensive tour. It has also been resolved to run two excursions this year instead of one as previously. The first eleven's fixtures are:—
