Ladies and Gentlemen,

Looking back on season 1947, we are pleased to report that it was one of the most successful in the history of the Club.

For a change we were provided with ideal weather, to which our players responded by providing us with Cricket equally bright.

By splendid victories in the Sykes Cup Competition, we reached the semi-final for the first time since our entry into the league—we also finished our league programme comfortably placed in the top half of the table.

Great credit is due to the players for these achievements, and we hope that next season will see their efforts crowned with even greater successes.

We were gratified to have the greatly increased support of the local public and to welcome so many new members. Let us aim at still further increasing our membership this year.

Our financial position (thanks to special efforts during the past 12 months), has improved, but we cannot afford to be complacent in this connection, because we shall have to spend much more money than we at present possess, before the ground can be brought up to the required standard.

To the Ladies' Committee, our sincere thanks are due, for they have done much noble work in their special efforts to raise funds for the Club.

You are cordially invited to attend the General Meeting.

THE COMMITTEE.
