Slaitwaite to-day are in a sound financial position, and their success in this respect and in the playing sense is greatly due to the untiring zeal and enthusiasm for the club which have characterised the work of their officers. Presidents in Messrs. Wood, J. White (1881-6 and 1892), J. Brierly (1887-9), Dr. Dean (1886-8 and 1890-1), T. H. England (1894-5), George Bamforth (1889-1900), Thomas Wood (1901-2), H. Denton (1903-21), and James Gartside (1922 up to the present day) are all deserving of a great share of the credit for the success of the club, and among other workers mention must be made of Messrs. J. H. Berry, David England, W. Sykes (financial secretary), William Dyson (who has served for nearly twenty-one years as treasurer), C. B. Meller, B. S. Bamforth, A. England, G. W. Roberts, G. H. Sykes, and Herbert Sykes, secretary of the club at the present time and representative on the District League Committee, of which he has been the president.
