

KIRKBURTON V. KIRKHEATON.

On Saturday a match between these clubs was played on the Kirkheaton ground, and resulted in a win for Kirkburton by twenty-seven runs. The fielding on both sides was very good, scarcely a chance being missed, and some unlikely ones (as that of Hargreaves by Lodge, &c., Stringer by Carter,) were taken. Wilson (left hand) bowled very well. The slows, though having little twist, were terribly destructive to the Kirkheaton team. The score ran thus:—
