

Marsden Assured of Promotion

WITH three matches still to play in the Huddersfield and District Cricket League, Marsden, by a victory over Dalton, have assured themselves of promotion to Section "A." Another two points will make them Section "B" champions.

Huddersfield and Lascelles Hall are still fighting neck and neck for the championship of Section "A," and a keen fight is developing among Paddock, Thongsbridge and Golcar to avoid relegation.

Saturday's games brought another century for Jack Stead, who scored 120 not out against Paddock in a drawn match, and others to do well with the bat were T. Oldham (Rastrick) 83 not out, N. Hallas (Kirkheaton) 72 not out, F. N. Riding (Lockwood) 63, and H. Walker (Elland) 63.

There were a number of good bowling feats. J. T. Barron claimed seven for 62 for Hall Bower against Honley, E. Riley had six for 23 in Marsden's victory, and H. Fisher five for 20 in the quick win over Slaithwaite.
