

Rastrick.

The Round Hill organisation did not come up to expectations last season but efforts are being made to improve the position of the club in the Huddersfield League. The club will again be without their former fast bowler—Frank Hopton—who has accepted a professional engagement with the Greenfield club, while it is stated that the veteran (Willie Shaw) is retiring from the game, although the supporters of the club are hoping for still further help. L. Gill, a good all-rounder from Kirkstall, has been engaged as professional for the sixth season, and other notable players are expected to turn out, and have been registered, amongst these being Fred Hosson. Slight improvements have been made to the ground and its surroundings, which will add to the comfort of persons visiting the historic ground at Round Hill, which is an ideal place on a fine day, and is greatly appreciated by visitors.

The fixture list is a strong one, and includes the "Derby" days with Elland on Whit-Monday and Tuesday, while there are two evening matches with Bradley Mills. The clubs Rastrick will encounter this season, which were not on the list last year are Lockwood, Henley, Meltham, Marsden and Primrose Hill.
