Sir

"Casey's Peripatetics"
(late Down Cricketers)

As the time has now arrived when many of the principal Clubs have now commenced making up their match lists for '78 allow me to again apply to you for an engagement in Terms and testimonials I have already sent you & I trust the earliness of this application will enable you to select a couple of days suitable to Todmorden.

On other side you will

perceive our Company of last season - we played a good team as out of 44 matches we were fortunate enough to lose none (tho' many of course were drawn) -

Will you kindly bring this application for a match before your Committee and let me have an early reply.

Waiting same

I am Sir

Yours obediently

W. Tompasy

Mr. J. Thorpe
