

Final blow for Bridgeholme

BRIDGEHOLME Cricket Club's second eleven hopes of glory in the final of the Calder Valley Cup competition were crushed at Salem when they lost by four wickets to Booth CC.

It was a disappointing display by the local team who had done really well to reach the final. But on the day they were let down by both their batting and bowling. Bridgeholme made something of a fight after being 68-8, and thanks mainly to Neville Windle and David Fountain took the total to 140.

But it was never enough, and aided by some loose bowling from Bridgeholme, the Booth team made sure with four wickets to spare.
