## HOLDEN CUP FINAL

It was fitting that the final of the Holden Cup should be between the clubs chiefly concerned in the Championship honours of the Central League and clubs which do not meet in the League programme.

Hall Bower and Skelmanthorpe have had many a close tussle in the past, but at the Shelley ground—a ground well lined by spectators who paid over £16 for admission, one of the best "gates" in the history of the competition—Skelmanthorpe rose to the occasion and the hopes of a cup for Hall Bower were still denied. Though they have been champions of the League for the past three years, Hall Bower have never won a cup competition.

The cup was presented by the president of the League, Mr. A. Mellor, of Hall Bower, who paid a tribute to the late Mr. H. Freeman, of Skelmanthorpe, who, he said, had always been a fine worker for the League. Mr. Mellor said that the League was improving, and he appealed to the clubs to build refreshments pavilions if possible, for the amenities provided would attract larger attendances.
