

**CRICKET CLUB DANCE AT NORTHOWRAM.**—Under the auspices of Northowram Parish Church Cricket Club, a successful dance was held in the schoolroom on Saturday, at which a large number assembled. At intervals the lights were turned low and limelight was thrown in various parts of the room with pleasing effect. The proceeds are to partly defray the initial cost of the laying of the crease at their new cricket ground in Westcroft-lane. The work has been done by Messrs. Conway, Halifax.
