SOWERBY - DIVISION LEAGUE.

The returns for this League have not been sent in either regularly or punctually, and if our readers have experienced the same thing as us, they have been very much "at sea" concerning the true state of affairs. Last week even, when the matches had been completed, and the result of the competition decided, the local press were not put in possession, in time, of the final returns. We received ours on Friday morning. Nor did we know, until Saturday afternoon, when or how the trophy was to be presented to the victorious team. Of course there may be good reasons to account for this apparent remissness. We are not complaining, but explaining, so that the blame for unreliable returns shall not be laid at our door; but we hope, for the League's own sake, that better arrangements will be made and faithfully carried out in the future. The following tables show the results:—
