Nortonthorpe win duel of leading clubs

THE two leading clubs in Section "A" of the Huddersfield Central Cricket League - Nortonthorpe and Scholes - clashed on Saturday, and the former club gained four points from the game with a seventy-nine-run victory.

Nortonthorpe batted first and were all out for 159 in just over forty-two overs. The Scholes batsmen had an off day, however, with the exception of J. Ellis (42) and were all out for 89.

There was some low scoring in the game between Lepton, Highlanders and Skelmanthorpe. Lepton could muster only 96, but this total was sufficient to give them four points as their opponents were tumbled out for 61 by B. Ely, who claimed seven for 17.

Two batsmen in form were Emley Clarence openers G. Adamson (68) and G. Wilkinson (59), who laid the foundations for a good score, and Emley eventually amassed 226-9 before dismissing Denby for 86 (R. Doman 6-36).
