WEEKEND WINS CLINCH TITLE

MYTHOLMROYD second team's two victories at the weekend clinched the second teams' championship.

The victories tied them with Greetland on level points. However the local team had a better bowling and batting average, and so won the championship. They previously won the league in 1956.

On the Saturday, Mytholmroyd dismissed Luddenden Foot for the lowly score of 82 with bowlers D. Williams four for 23 and J. Pinder four for 37. Only four members of Foot's team reached double figures.

What looked like an easy victory for Mytholmroyd turned into a face-saving victory after their batting collapse

ed through Foot bowlers G. Smith (five for 23) and M. Smith (two for 34). The last wicket pair of A. Crabtree and D. Crossfield hit the required runs for the narrowest of victories.

Against SBCI on Sunday, Mytholmroyd's bowlers were again in superb form, dismissing the opposition for a mere 72 runs. D. Williams took six for 15 and M. Thoseby two for 16.

This time the batting did not collapse, although there was a shaky start, and Mytholmroyd hit the 73 runs for the championship for the loss of only five wickets.
