### SUCCESSFUL TEAM

Britannia Works C.C. joined the Huddersfield Association in the early 1930s.

In the decades that followed they won an array of silverware, including the Lumb Cup, Challenge Shield, Crossland Trophy and Sharpe Rose Bowl.

Early on, there were quite strict rules about who could play for the Club – they had to belong to the Britannia Works Sports Club.

Britannia's most famous players included Leslie Chatterton and Jock MacLean. The Club folded in the post-war years.
