

CRICKET COACHING WITH YORKSHIRE STARS ANDY AND CHRIS

Two Yorkshire CCC cricketers with Kirklees and Calderdale connections have asked us to publicise their growing business: Pro Cricket Coaching Academy.

Top-order batsmen Andy Gale and Chris Taylor are the main driving forces behind the enterprise, and anyone interested should contact them via the phone no./email address advertised on their website.

Andy was born in Dewsbury, played for Gomersal and Cleckheaton, and helped open our Dewsbury cricket history exhibition in 2006.

Chris grew up in the Bradford League and his father-in-law is Lightcliffe legend Roger Stead.
