**These (undated) rules help us to understand the nature of a local cricket club. Can you help us with the date?**

6.—That any member introducing a friend must enter his name in the Visitor's Book, and that no person be introduced more than twelve times during the year. The member will be held responsible for all expenses incurred by such visitor.

7.—That the Subscription be 4/6, which entitles the member to all the privileges of the Club, with the exception of partaking in the game. To those partaking in the game the Subscription is 5/- until the age of 18, 7/6 up to 21 and 10/- after. The Subscription to be paid before May 1st in each year.

8.—Any member wishing to cease his membership must notify the Secretaries, who shall immediately cross such member's name off the books. Should such members subscriptions be in arrears, he shall not be allowed to enter the Club as a guest, or shall he be allowed to re-enter as a member at any future time until such arrears have been paid off.

9.—That the Club may be open between the hours of 7 a.m. and 11 p.m.

10.—That all matches shall be arranged, and the elevens to take part in them chosen by the Committee, and due notice shall be given to every member expected to play therein; and in case any member is unable to play, HE SHALL BE REQUIRED to give two clear days' notice to the Secretary of his inability.

11.—That in case of improper conduct on the Field or in the Pavilion, the Committee have power to investigate the matter, and deal with it as they deem fit.

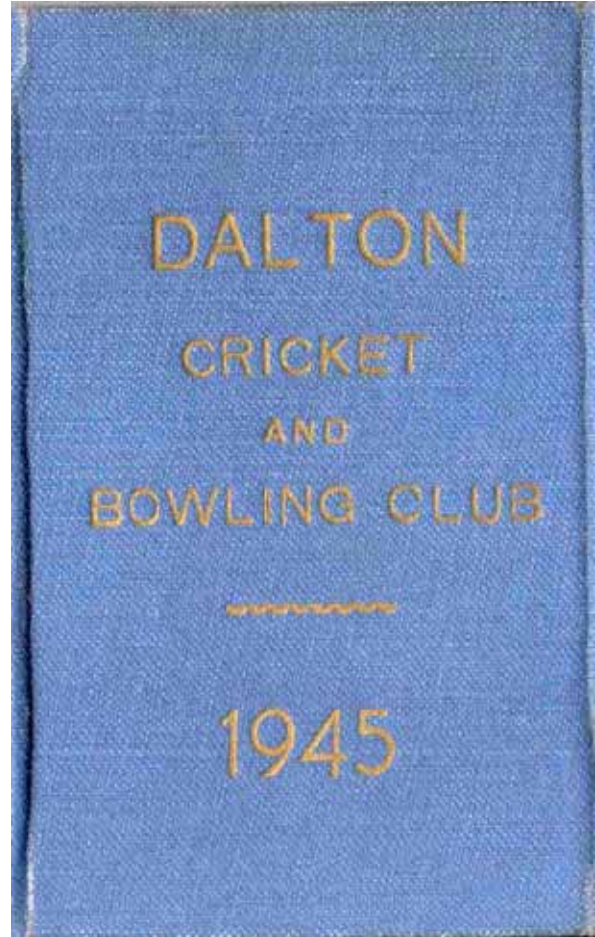

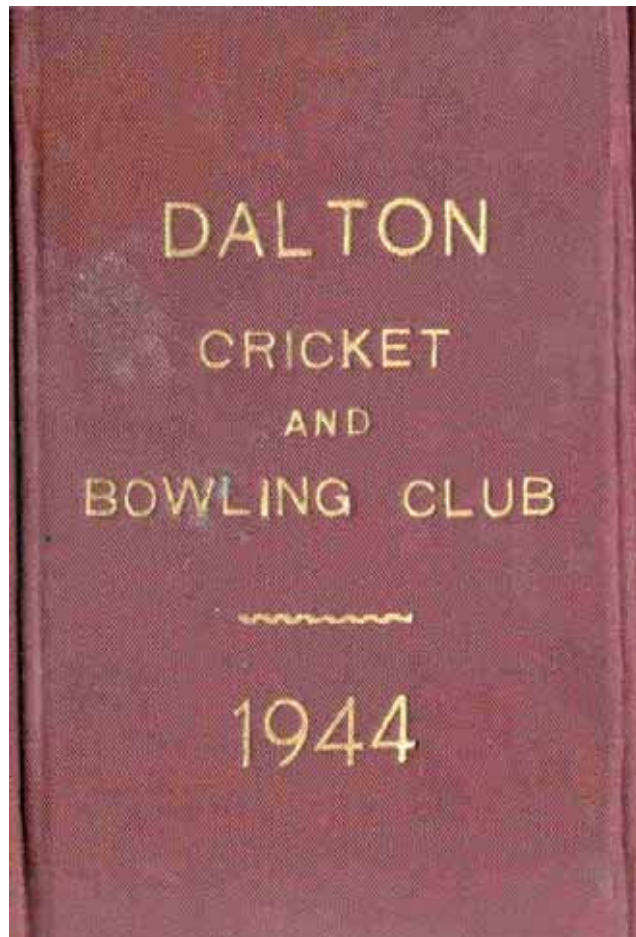

12.—That at least once every year the Treasurer's and Secretaries' accounts be audited by two members, elected for that purpose at the Annual Meeting (such auditors not to form part of the Committee) and a financial statement rendered to the Club at the Annual Meeting.

13.—That all Bye-laws passed by the Committee for the time being for the regulation and well being of the Club shall be binding upon all members. Such Bye-laws shall be entered in a book, and signed by the Chairman of the Committee, and a copy thereof affixed to the Tent.

14.—That no rule shall be altered or rescinded, or any additional rule made, unless by a majority of the members at a meeting, to be called (with the Committee's sanction) by the Secretary, on receiving notice to that effect from the members requiring the same, and the terms of rules proposed to be made, altered, or rescinded—such notice to be posted up in the tent six clear days before the proposed meeting—but rules may be altered or rescinded or additional ones made at the Annual Meeting without notice.
