

The new Library and Information Centre at Birkby and Fartown, Wasps Nest Road, Fartown, Huddersfield, is now hosting the display on cricket at Fartown researched and produced by students at All Saints Catholic High School in association with the Cricket Heritage Project. The display has been framed and has been hung in the foyer of the new complex as a long-term legacy of the Project

Memories of Farlow

Based on the letter by local cricket supporter Tony Hutton

One match remained in my mind,
Beginning my lifetime of love,
Yorkshire vs. Northants, Lan Hutton for
Linn.

Wickets heard flying through

Reaching 157 runs,
Reaching out for the win
Hutton 100, Halsey 81,
Linn Hutton you are my king!

Another game,
Another day,
Brian Clarke emerged,
My heart went for

A few more games,
Obsession again,
Boycott, Hirst, Rhodes, Stanger,
Four brilliant inspiring men.

This sport is my passion,
I cannot ever quit,
I love the cheers when we score,
Thank God for cricket!

YORKSHIRE V THE AUSTRALIANS 22 JULY 1886

They don't start until 11 past one
Lines from the players had no fun,
Out came England, Hest and Barnes started
All players bring their best not playing half-hearted

Australians feeling and Australians leaving
England attacking the ball and watching it rolling
One run, two runs, three runs, four
The fans cheering England, wanting more

With came in the game were lots of bats
Australians had the game in their hands
Everyone watching this game of cricket
The Aussies on the wrong side, they had no
wickets

The sun was going, the clouds were coming
The Aussies were tired, they were still running
A cricket the play ended due to bad light
All the players came off all dressed in white

Stephen Gately

It's cricket in the town,
South must better than all the rest
The ball goes in, flying through the air,
Nearly hit an old woman who got a good
score

Two games playing right here today
Who's going to win? These people who
bring home play of this very special
ground.
The score was all those you could hear
heart's pump

Yorkshire v Hampshire 9th June 1888

I was fortunate to witness on the 9th
of June
and afterwards for the ball coming
right in the way

The sun was shining so very bright
The ball went flying out of sight

With cricket playing in the town,
South must better than all the rest
The ball goes in, flying through the air,
Nearly hit an old woman who got a good
score

As the game was getting to its end
The ball went flying out of sight

The crowd cheered up as the game ended
A new cricket ground was built

With a good day's cricket had with
Everyone with us, and the game
was a fun

SYKES CUP - HUDDERFIELD V BROAD OAK 28 MAY 1960

When the rain competition was strong
 Huddersfield were right, nothing could be done
 The Old Lady remained in the white
 Being in a great atmospheric game of cricket

Huddersfield ready for a challenge they
 Every player wanted to show the grey
 Lady in the match for both in the rain
 Surely the game is better

The first over in the afternoon rain
 The ball is a red ball, it is, they say
 The ball, something more go up with a hat
 After showing through every 8, better
 and 4

11 from the north, 11 from the South
When they came on the pitch the crowd made
No sound
Then the game started with a big massive roar
Look at the North they just scored a four
A four, a six, one top or two
Can't ask me who is winning because I don't
Have a clue

The play gets intense as we reach midday
You can tell the players are beginning to lay
W.G. Grace bowls out another batter
Then Lockwood steps up and the bats start to
scuffle

19 JULY 1894

The game at Fartown was between
Yorkshire and Somerset.
Somerset won the toss, it's something I
don't get.
It started at 12.05 with captain and Hill
And Yorkshire bowled with an match skill.
Someone was 'out' but I don't know
why.
Reading 9th is the leading King Tu.

T. Hill Somerset

Yorkshire started hitting in twenty to ten
Hopefully I'll get a row I haven't yet and
that's true.
They got going and Yorkshire were
strong at batting

1880's Somerset got an unexpected
and I wish I'd had the 1880.
The several bats were being
To do that today's life.

2006 Somerset got the game
they had only produced 12 runs
Others were missing, why had
they got the bat.

Others got to bat next
and immediately 14 2 2
the 1880's Somerset
I wish I'd had the 1880's

W.G. Grace

The North think they have it but they are
mistake
W.G. Grace bowls out another and the South
are weakened
Hooray for the South, hooray for the North
A magnificent game, who would have thought
The game is over, the North have won
A good day of cricket, lots of family fun

South win by 103
And they come off the pitch with pride and glow
We have just witnessed that game called
cricket.
Let's go home for tea and wine

Tania Mufsonkina

The bat was smashed into the people
who were sitting.
After reading it all I really have tried
Understanding the game and information
supplied.

I guess it is destiny that I'll never
understand.
I am proud of it and that is how I stand.
Yorkshire won by an inning and 2 runs.
What is an innings I'm having fun.
But all that counts is that Yorkshire won
Unlucky for Somerset but Yorkshire had
won.
