

# First Schools Activity Packs Distributed

The first customised Schools Activity Packs, designed and produced by Brian Heywood and the Cricket Heritage Project team, have been distributed to schools in Birstall.

In due course, all primary schools in Calderdale and Kirklees will receive a set of generic and customised cricket heritage-related classroom activities – on CD and in hard-copy form.

**Below: Mr Anthony Rush, headteacher at St. Patricks School, Birstall, receives his resource pack.**
