1950/1 Workshop Knockout

The Hebden Bridge and District Cricket League ran a short-lived workshop knockout tournament in 1950 and 51.

Matches were to be played on an artificial surface in Calder Holmes Park. In April 1950 the league ordered four vellum-covered bats, four balls and a mat, 19 $\frac{1}{3}$ yards by 2 yards, from AH Broughton.

Although teams such as A & H Sutcliffe's and Calder Valley Bakers were initially enthusiastic, the competition was not a success and on 23 January 1952 it was minuted that:

'... we sell workshop kit but retain the mat. We loan mat to Hebden Bridge Canine Society.'

In May it was decided to 'loan mat to Cape Asbestos for their next home fixture if it is not sold in the meantime'. The Cape Asbestos pitch at Mount Skip was not the best for batting! The mat was eventually sold.

1952 Bridgeholme Knockout Winners

BIRCHCLIFFE WERE TROUNCED

Bridgeholme worthy winners in knock-out final

Bridgeholme, unbeaten leaders of the second division of the Hebden Bridge League were worthy winners of the League Knock-out Cup and beat first division side Birchcliffe in the final at Holling Holme on Wednesday evening.

Birchcliffe will be the first to congratulate a team which, on this showing, was superior in every department. Although Birchcliffe's score of 97 in 20 overs was respectable, they failed lamentably in the field and Bridgeholme had little difficulty in passing their total for the loss of only three wickets.

A steady innings of 24 by Stanley Greenwood gave Birchcliffe a good start and the second wicket fell at 31. Greenwood was unfortunate to be out of his crease when the ball bounced off the wicket-keeper's pads on to his wicket. Ronnie Fulcher was also a stumping victim after scoring 17. Arthur Snowball improved Birchcliffe's prospects with a bright knock which brought him 26 runs. But the batsmen never subdued the bowling, and apart from a hard-earned 11 from R. Beswick, the Birchcliffe "tail" was without life. A. Martin, who relieved Clayton after he had bowled six overs, returned the best figures for Bridgeholme with four for 18.

Bridgeholme started in good style and Durgan, who opened the Birchcliffe bowling with Beswick, never found a length. W. Davies and A. Martin took the score to 21 before Martin was out to a ball that he should have left alone. It was the combined efforts of Davies, J. Martin and D. Hollinrake that sealed Birchcliffe's fate. Davies was out with the score at 41. Martin and Hollinrake then took the total to 81 before Martin gave Jack Lord his third catch behind the wicket. This was the last wicket to fall and Hollinrake and R. Greenwood had little difficulty in passing the Birchcliffe total. A feature of the game was the umpiring of Messrs J. Greenwood and W. Dobby.

PRESENTATION

Mr Tom Greenwood, chairman of the league, introduced the president, Dr A. H. Clegg, and thanked the Salem Club for their co-operation in the use of the field.

Dr Clegg said that this season they had two new clubs in the league, one of which was Bridgeholme. He welcomed them and commented on their performance in the second division of not having lost a game. He also congratulated the Salem Club on the ground improvements and said that better grounds made for improved cricket.

Handing the cup to J. Martin, captain of the winning side, he offered his congratulations on the team's fine performance. Both captains replied.

In addition to the cup the members of the winning team each received a medallion and the runners-up vouchers.

A collection for league funds realised £4 5s. 7d.

1953 Complaint by League Secretary

Mr Richard Farthing, the secretary/treasurer of the Hebden Bridge and District Cricket League, speaking at the league's AGM in the Trades Club, Hebden Bridge, on 7 December 1953, complained about the quality of score sheets he was receiving:

'May I draw your attention to the badly made out score sheets I have received during the past season. These tend to increase the possibility of mistakes being made in both the match results and the averages. Perhaps it would be better if the scorer, instead of sitting in the pavilion where he is likely to be disturbed, seeks out a place where he will be free from possible interruption.'

TOP-FOUR CUP FOR OLD TOWN "A"

Todmorden beat Rishton for league championship

THE curtain came down on the 1957 cricket season last Saturday when Old Town "A" beat Halifax second, the Hebden Bridge League champions, to win the league cup for the top four places. Todmorden gained a great win over Rishton to win the Lancashire League championship for the second time in three years.

Scores were low in both matches. Old Town were at their best and were well served by the Halifax skipper. A feature of the game was the fine batting which the wicket-keepers of both sides along with K. Roberts and B. Greenwood, of Halifax, and W. Standfield, of Todmorden, suffered an early reverse, for H. Whitaker was out before he had scored. Carrington and J. N. Hatters-ville returned the situation to some extent, and the score was 142-10 before the fall of the sixth wicket. It was K. Greenwood, who proved the main hope in the batting structure, and his 37 was a big factor in Old Town's win. He had the wicket to D. Rawson, who opened the Halifax attack, but it was B. Greenwood, who needed trouble to stop the Old Town batsmen. The Halifax bowler soon down 12 overs to claim seven wickets for 28 runs, and apart from K. Greenwood, the Old Town batsmen had an unobtrusive time against him. In heavy going the Bolton 200 club managed to reach 15 before they lost their last wicket.

Handerson and A. Hanning formed the spear-head of the Old Town attack, and they opened over half the Halifax batsmen by selected batsmen. Three of them were "out" before they had scored, and the first three overs failed to realise a run. Later held fast, however, and due to his stubborn play, Halifax managed to recover to some extent from the early setbacks. Parlane and Dooker, latter manager, led the batsmen along over the last patch, and there were 21 runs on the board when Hanning had a laser caught behind the stumps by Dooker. Dooker continued, along with Parlane, until the question was improved to the extent that 41 runs had been scored when the fifth wicket fell. The Old Town attack kept well to their task, however, and apart from Roberts, who made seven, the remaining batsmen offered little resistance, the innings closing at 36. The three-legged Old Town attack had a good afternoon. Handerson claimed four for 17, Hanning three for 24, and T. Carroll nipped in to take three for seven.

After the game the trophy was presented by Dr. A. H. Clegg, the league president, who congratulated both teams on their sporting performance. He then handed over the cup to J. N. Hattersville, the Old Town captain. Mr. Hattersville and Mr. E. Dooker, the Halifax captain, both responded. A vote of thanks to the Halifax club for staging the final, was proposed by Mr. W. J. Purching, the league secretary. Detailed results of the game were as follows—

Spin bowlers in command

Level in points at the top of the Lancashire League, it was rather remarkable that Todmorden and Hebden Bridge met in the last match of the season. Before the game it had been decided that should the season result in a three-way tie, a further match would be played at Todmorden when the winner would be decided. The match, which was held on Saturday, was a fine one, and the result was a 2-1 victory for Todmorden. The match was a close one, and the result was a 2-1 victory for Todmorden. The match was a close one, and the result was a 2-1 victory for Todmorden.

PRESENTATION OF TROPHY

Mr. H. Sutcliffe of Todmorden, president of the Lancashire League, instructed by Mr. Jack Hattersville, the league secretary, made the presentation. Mr. Hattersville said that this was the first time in the history of the Lancashire League that the league cup had been decided with one game. Both teams had now won the championship five times.
