

FROM CHARLADIES TO CHAIRLADIES: WOMEN & CRICKET IN CALDERDALE

Launch Event: Thursday 24 May 2007 7.00pm

Venue: Halifax Swimming Pool

This exhibition tells the story of women and cricket in Calderdale. As such, it is a multi-dimensional display, focusing on the many and various ways in which women and women's influence has shaped the game in this area: from making teas to playing the game, fundraising via special ladies committees, acting as supporters and spectators, and holding posts on club committees.
